

FORM MO-1040

MISSOURI INDIVIDUAL INCOME TAX RETURN

LINE-BY-LINE INSTRUCTIONS

Important: Complete your federal return first.

If you are filing a fiscal year return, indicate the beginning and ending dates on the line provided near the top of the Form MO-1040.

STEP 1

NAME(S), ADDRESS AND SOCIAL SECURITY NUMBER(S)

If you received a postcard from the Department of Revenue or an income tax instruction book, please verify that the information on the label is correct. If all addressing information is correct, attach the label to Form MO-1040 and print or type your social security number(s) in the spaces provided. If you did not receive a postcard or a book with a label, or the label is incorrect, print or type your name(s), address and social security number(s) in the spaces provided.

Enter your county of residence and the correct number of the public school district in which you reside. See school district numbers on pages 15 and 16 of the instructions. (If you are a nonresident, leave county blank. If you were a part-year resident, enter the county in which you resided as a resident.)

AGE 65 OR OLDER AND/OR BLIND

If either you or your spouse qualifies for the 65 years of age or blind deduction on your federal return, check the appropriate boxes.

100% DISABLED PERSON

If you or your spouse is a 100% disabled person, please check the appropriate box. See definition for 100% disabled.

Disabled: The inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months. A claimant is not required to be gainfully employed prior to such disability to qualify for a property tax credit. You may visit the department's web site at: <http://dor.state.mo.us/tax> to learn more about the property tax credit claim.

NON-OBLIGATED SPOUSE

If you have any other liability due the state of Missouri, your income tax refund may be applied to that liability in accordance with Section 143.781, RSMo. If you are filing a combined return and the state of Missouri is seeking to use your spouse's state tax refund to offset his/her state liability, you are entitled to receive your portion of the combined return refund as a non-obligated spouse. Check the appropriate box if you are a non-obligated spouse and wish to receive your portion of the refund. The non-obligated spouse refund apportionment applies to state agency debts only.

The Internal Revenue Service (IRS) is not a state agency and the IRS may intercept refunds. Because the IRS is **NOT** a state agency, IRS offsets are excluded from the non-obligated spouse refund apportionment. All debtor appeals or complaints concerning Missouri individual income tax refunds withheld for the IRS are handled by the IRS.

STEP 2

FIGURE YOUR MISSOURI ADJUSTED GROSS INCOME

Note: All amounts must be rounded to whole dollars.

Instructions for Completing the Adjusted Gross Income Worksheet

Enter the part of the total income that is yours in Column Y and your spouse's portion in Column S. Income received from jointly held property — such as businesses, farm operations, dividends, interest, rent and capital gains (losses) — must be allocated to each spouse in proportion to his/her percentage of ownership in the property. (For example, you may own 50% of the business and your spouse may own the other 50%. Accordingly, business income would be split 50 – 50 between the spouses.) Taxable social security benefits must be allocated between each

spouse based on the proportionate share of gross social security benefits received for the tax year times Federal Form 1040A, Line 14b or Federal Form 1040, Line 20b. State income tax refunds must be allocated based on the percent of earnings of each spouse for the tax year for which the refund was issued. When you have completed the worksheet, transfer the amounts from Line 18 to Form MO-1040, Line 1Y and 1S. The total of Line 18Y and 18S must be equal to Federal Form 1040EZ, Line 4, Federal Form 1040A, Line 19 or Federal Form 1040, Line 33.

LINE 24 — BALANCE FORWARD

Enter the amount(s) from Lines 23Y and 23S on Lines 24Y and 24S.

LINE 25 — MISSOURI TAX

If both you and your spouse have income, determine **each** of your taxes from the tax table provided on Form MO-A, Page 1. Missouri allows for the division of income between spouses. Taxpayers filing a combined return may reduce their tax liability by dividing the income between spouses and then determining the tax amount for each person's income. **Do not use the total income of you and your spouse to figure the amount of tax due on a combined return.** All taxpayers (residents, nonresidents and part-year residents) must compute Missouri tax at this point. Enter the results on Lines 25Y and 25S. If not filing a combined return, enter the tax amount on Line 25Y. A taxpayer filing as a resident who has paid taxes to another state or a taxpayer filing as a nonresident may reduce his/her tax liability by using either Form MO-CR or Form MO-NRI. (See Lines 26 and 27.)

LINE 26 — RESIDENT CREDIT FOR INCOME TAXES PAID TO OTHER STATES (RESIDENTS AND PART-YEAR RESIDENTS FILING AS RESIDENTS)

If you were required to pay income tax to another state, you may be entitled to claim a tax credit against your Missouri income tax liability for the tax paid to the other state. To determine your allowable tax credit, complete Form MO-CR, Credit for Income Taxes Paid to Other States. If filing a combined return, and you and your spouse are both entitled to a credit for income taxes paid to another state, both must complete a separate Form MO-CR. **Note: Please enclose Form MO-CR and a copy of the other state's income tax return with your Missouri return. The credit for income taxes paid to other states will not be allowed if the other state's income tax return is not enclosed.**

Nonresidents and Part-Year Residents Filing as Nonresidents — If you were a nonresident of Missouri or a part-year resident of Missouri filing as a nonresident, see the instructions for Line 27.

LINE 27 — MISSOURI INCOME PERCENTAGE

If you were a nonresident of Missouri or a part-year resident filing as a nonresident, you may be entitled to reduce your Missouri income tax liability. Form MO-NRI, Missouri Income Percentage, must be completed to determine the percentage(s) that can be applied to your tax on Line 25 to reduce your Missouri tax liability. Complete Form MO-NRI, Missouri Income Percentage. After determining the percentage(s), enter the percentage(s) on Lines 27Y and 27S (if filing a combined return) or on Line 27Y (if not filing combined return).

Check the appropriate box if either you or your spouse is a professional entertainer or a member of a professional athletic team.

Note: Please enclose Form MO-NRI and a copy of your federal return (pages 1 and 2) with your Missouri return. Please check Line 27 to determine if the correct percentage is shown. Do not use "NONE" on Line 27. Please make sure that Line 27 shows an amount from 0 to 100%.

LINE 28 — BALANCE

If you are not entitled to either a credit for taxes paid to another state or a Missouri income percentage reduction of tax liability, enter the amount(s) from Line 25 on Line 28. If you are entitled to a resident credit on Line 26 for income taxes paid to another state, subtract Line 26 from Line 25 and enter on Line 28. If you are entitled to use a Missouri income percentage on Line 27, multiply Line 25 by the percentage on Line 27 and enter on Line 28. **Note: You cannot be entitled to both a resident credit on Line 26 and a Missouri income percentage on Line 27. Form MO-CR and Form MO-NRI may not be used by the same taxpayer on Form MO-1040. (If filing a combined return you may use Form MO-NRI and your spouse may elect to use Form MO-CR.)**

LINE 29 — TAX ON LUMP SUM DISTRIBUTIONS AND RECAPTURE TAX ON MISSOURI LOW INCOME HOUSING CREDITS

Lump Sum Distributions. A taxpayer who receives a lump sum distribution may be required to file Federal Form 4972. Because this income is not included in your Missouri adjusted gross income, a separate calculation must be made to compute the Missouri tax on this distribution. You are subject to the tax if your state of legal residence was Missouri at the time you received the lump sum distribution. The amount of tax is 10% of your federal tax liability on the distribution received in 2000.

You must compute this tax by multiplying the amount shown as tax on a Lump Sum Distribution (Federal Form 4972) by 10% (.10). For example, if your Federal Form 1040, Line 40 includes \$1,000 tax as a result of a Lump Sum Distribution (Federal Form 4972), the amount of tax you would have to show on Form MO-1040, Line 29, would be \$100. Check the Lump Sum Distribution box on Line 29. **Please enclose a copy of Federal Form 4972 with your Missouri return.**

Recapture Tax. If you are required to recapture a portion of any federal low income housing credits taken on a low income housing project, you are also required to recapture a portion of any state credits taken. The state recapture amount is the proportion of the state credit that equals the proportion the federal recapture amount bears to the original federal low income housing credit amount. **Please enclose a copy of Federal Form 8611 and pages 1 and 2 of your federal return with your Missouri return.**

Round To The Nearest Whole Dollar

EXAMPLE: If you are 65 or older and Line 5 is \$15,450, your credit on Line 39 is \$190.

If your pharmaceutical expenses were less than \$200 and your Missouri adjusted gross income is more than \$15,000, reduce your credit by \$2 for every \$100 your income exceeds \$15,000.

If credit amount is less than \$200 and Missouri adjusted gross income is more than \$15,000, subtract \$15,000 from your Missouri adjusted gross income (Line 5) and divide by 100 (round up to the next whole number). Multiply the result by \$2 and subtract this amount from your pharmaceutical expenses to determine your credit amount.

Example: Your Missouri adjusted gross income (Line 5) is \$15,675 and your pharmaceutical expenses were only \$100. (\$15,675 – \$15,000 = 675; 675 / 100 = 6.75 (7 rounded up to the next whole number); 7 x 2 = \$14; \$100 – 14 = \$86)

top of the form. Complete the entire return using the corrected figures. If filing an amended return, mail it to: Department of Revenue, P.O. Box 500, Jefferson City, MO 65106-0500 if you are due a refund or P.O. Box 329, Jefferson City, MO 65107-0329 if you have an amount due.

(See summary on the following page.)

WORKSHEET FOR PART 1, LINE 9

Included in the Federal Revenue Reconciliation Act of 1990 is a provision that requires individuals with federal adjusted gross income over certain income thresholds to reduce the amount allowable for federal itemized deductions by 3% of the excess over that threshold (26 USC 68). Certain deductions, such as medical expenses, investment interest and casualty, theft or wagering losses are not subject to this reduction. For 2000, the threshold is income over \$128,950 (\$64,475 if married filing separate).

The language in Section 143.141(1) and (2), RSMo, was changed to reflect this change in federal law. Previously, taxpayers were required to add-back all state income taxes regardless of any reductions at the federal level. This law changed the language regarding the state income tax add-back to read that Missouri itemized deductions must be reduced by the **proportional** amount representing any income taxes imposed by this state, another state of the United States or a political subdivision thereof or the District of Columbia. This law is effective for all tax years beginning on or after January 1, 1993.

This law does not affect those taxpayers with federal adjusted gross income from Federal Form 1040, Line 33 of \$128,950 or less (\$64,475 or less if married filing separate). If your income is below these amounts, enter on Form MO-A, Part 1, Line 9, the amount from your Federal Form 1040, Schedule A, Line 5. However, if your federal adjusted gross income from Federal Form 1040, Line 33 is more than \$128,950 (\$64,475 if married filing separate), complete the Worksheet on Form MO-A, below Part 1. Enter the amount from Form MO-A, Part 1, Worksheet, Line 8 on Form MO-A, Part 1, Line 11. **Do not complete Lines 9 and 10.** See Regulation 12 CSR 10-2.160 for a complete explanation on calculating the state income tax deduction.

LINE 10 — EARNINGS TAXES

Enter on Line 10 the amount of any Kansas City and St. Louis earnings taxes that are included in Line 9.

LINE 11 — NET STATE INCOME TAXES

Subtract Line 10 from Line 9 and enter the result on Line 11 or if you completed Form MO-A, Part 1, Worksheet enter the amount from Line 8.

LINE 12 — MISSOURI ITEMIZED DEDUCTIONS

Subtract Line 11 from Line 8 and enter the result on Line 12, and on Form MO-1040, Line 10. If this amount is less than the **federal standard deduction** (see federal income tax form instructions for amount), then you should enter the **standard deduction** amount on Form MO-1040, Line 10, **unless** you were required to itemize your deductions on your federal return. If you were required to itemize your deductions on your federal return, you must enter the amount from Form MO-A, Part 1, Line 12 on Form MO-1040, Line 10.

PART 2

MISSOURI MODIFICATIONS TO FEDERAL ADJUSTED GROSS INCOME

Form MO-A, Part 2, computes Missouri modifications to federal adjusted gross income. Modifications on Lines 1, 2 and 3 **include** income that is exempt from federal tax, but taxable for state tax purposes. Modifications on Lines 5, 6, 7 and 8 **exclude** income that is exempt from state tax, but taxable for federal tax purposes. If after reviewing the instructions for Part 2, you have no modifications, enter on Form MO-1040, Lines 3 and 5 the same amount(s) entered on Form MO-1040, Line 1.

LINE 1 — INTEREST ON STATE AND LOCAL OBLIGATIONS

If you received income from an obligation of a state or political subdivision of a state **other than Missouri**, enter the amount of that income, reduced by the related expenses incurred (management fees, trustee fees, interest, etc.) if the expenses are over \$500.

LINE 2 — PARTNERSHIP, FIDUCIARY, S CORPORATION, OTHER

Enter positive adjustments (additions), reported from partnerships, fiduciaries, S corporations or other sources. The partnership, fiduciary or S corporation must notify you of the amount of any such adjustment (addition) to which you are entitled. Check the boxes applicable on Line 2 and enclose a copy of the notification received.

Net Operating Loss — Carryback/Carryforward: Enter as a positive adjustment (addition) the amount of your eligible net operating loss carryback/carryforward as computed on Federal Form 1045, Schedule A, Line 27; Federal Form 1045, Schedule B, Line 9; or Federal Form 1045, Line 11. **Note:** If your negative federal adjusted gross income includes a carryback/carryforward net operating loss from more than one year, include as a positive adjustment the amounts computed on Federal Form 1045 for all of the net operating loss years. If you have positive additions you may have positive Missouri adjusted gross income even though there is a negative federal adjusted gross income resulting from a net operating loss. You must add back the total unused net operating loss carryback/carryforward to your federal adjusted gross income including any unused portion from a prior year.

Non-medical Withdrawal from Individual Medical Account (IMA): Any monies you withdraw from your Individual Medical Account (IMA) for non-medical purposes are taxable to Missouri. The interest earned on such monies is also taxable to Missouri. These taxable monies are reported on the statement provided by the administrator of the IMA.

Non-qualified Withdrawal from Family Development Account: The amount of annual deposits previously subtracted must be added to your federal adjusted gross income if the withdrawal from the account was not for a qualified use.

LINE 3 — MISSOURI SAVINGS FOR TUITION PROGRAM (MO\$T)

Any distribution made by the Missouri Savings for Tuition Program (MO\$T), not used for qualified higher education expenses, must be added to the participant's (taxpayer who made contributions to the plan) federal adjusted gross income. Early distributions (distributions not held for the minimum time established by the Missouri Higher Education Savings Program board) must be added to the participant's federal adjusted gross income. The amount of the distribution that must be added includes contributions previously exempt from state tax and deductible earnings generated from the program (if the earnings are not already included in federal adjusted gross income). The participant is responsible for adding the nonqualified **distribution** amount to his/her federal adjusted gross income. If the participant is deceased, the beneficiary of the savings program must claim the nonqualified taxable distribution as an addition to federal adjusted gross income on the Missouri income tax return.

LINE 4 — TOTAL ADDITIONS

Add Lines 1 through 3. Enter the totals on Form MO-A, Part 2, Line 4 and on Form MO-1040, Line 2.

LINE 5 — INTEREST ON EXEMPT FEDERAL OBLIGATIONS

Interest from **direct** obligations of the U.S. Government, such as U.S. savings bonds, U.S. treasury bills, bonds and notes is exempt from state taxation under the laws of the United States. **Enclose a detailed list or all Federal Form 1099(s).** Taxpayers who claim exclusion for interest from **direct** U.S. obligations must identify the specific securities owned, e.g., "U.S. savings bond." A general description such as "interest on U.S. obligation" or "U.S. Government securities" is **not** acceptable. (See Regulation 12 CSR 10-2.150 for the taxability of various U.S. Government related obligations.) Failure to identify the security will result in the disallowance of the deduction.

A federally taxed distribution received from a mutual fund investing exclusively in **direct** U.S. Government obligations is exempt. If the mutual fund invests in both exempt (direct) and non-exempt (indirect) federal obligations, the deduction allowed will be the distribution received from the mutual fund attributable to the interest on the **direct** U.S. Government obligations, as determined by the mutual fund. **Enclose a copy of the year-end statement** received from the mutual fund showing either the amount of monies received or the percentage of funds received from **direct** U.S. Government obligations, or a summary statement received from the mutual fund which clearly identifies the exempt and non-exempt

portions of the U.S. Government obligation interest. The statement does not need to list each obligation separately. **Failure to enclose the requested document will result in the disallowance of the deduction.**

In arriving at the amount of related expenses, the taxpayer may use actual expenses or a reasonable estimate. In general, the taxpayer should use the same or similar method used to compute related expenses for federal income tax purposes, provided that the method reasonably reflects related expenses for Missouri-exempt income.

If a taxpayer fails to compute reasonable related expenses, the Director of Revenue will make an adjustment based on the best information made available. If sufficient information is not made available or if the taxpayer's records do not provide sufficient information, the Director of Revenue will use the following formula to compute related expenses:

$$\frac{\text{Exempt income}}{\text{Total income}} \times \text{Expense items} = \text{Reduction to exempt income}$$

The principal expense item in this formula is interest expense; however, the Director of Revenue may include other expense items because of their direct relationship to the production of exempt income. The taxpayer may propose an alternative method provided that it properly reflects the amount of related expenses.

LINE 6 — STATE INCOME TAX REFUND

Enter the amount of any state income tax refund included in your federal adjusted gross income on Form MO-1040, Line 1 (from Federal Form 1040, Line 10). If the refund was issued to you and your spouse, it must be allocated between you and your spouse based on the percentage of income earned (Lines 7Y and 7S) during the tax year the refund was issued. **Federal Form 1040 must be enclosed.**

LINE 7 — PARTNERSHIP, FIDUCIARY, S CORPORATION, RAILROAD RETIREMENT BENEFITS, OTHER

Enter negative adjustments (subtractions), reported from partnerships, fiduciaries and S corporations. The partnership, fiduciary and S corporation must notify you of the amount of any such adjustment (subtraction) to which you are entitled. Check the boxes applicable on Line 7 and enclose a copy of the notification received. **Failure to enclose a copy of the notification furnished to you will result in the disallowance of the modification.**

Railroad Retirement Benefits Administered by the Railroad Retirement Board, such as all Tier I and Tier II benefits and any railroad retirement sick pay, disability and unemployment benefits, included in federal adjusted gross income (Form MO-1040, Line 1), are exempt from state taxation.

If you have other sources of negative adjustments, indicate the source on the line provided. Other sources of negative adjustments may be:

- (1) **Contributions into a Missouri Individual Medical Account (IMA).** Contributions that were made by your employer into an Individual Medical Account (IMA) and used to pay your health care expenses are exempt from Missouri income tax. The interest income earned on the IMA account is also exempt from Missouri income tax. The IMA contribution is identified in Box 14 of your wage and tax statement, Form W-2. Reduce the amount of contributions by the amount of medical and dental expenses deducted on Federal Form 1040, Schedule A, Line 4, but paid for by the IMA and included in Missouri itemized deductions.
- (2) **Additional Capital Gain Deduction Due to Difference in Basis.** If during the taxable year you realized a gain from the sale of property or other capital assets that had a higher tax basis for Missouri tax purposes than for federal tax purposes, you may exclude the gain or the difference in the basis of the property so disposed, whichever is smaller. If the gain was considered a long term capital gain for federal income tax purposes, the exclusion is limited to the gain or 50% of the difference, whichever is smaller. No difference in basis can be claimed for any property obtained after December 31, 1972. If your basis for Missouri purposes is less than the basis for federal income tax purposes, no adjustment is required.
- (3) **Accumulation Distribution.** If during the year 2000 you received a distribution as beneficiary of a trust that was made from accumu-

lated earnings of prior years and you filed Federal Form 4970, the amount may be excluded from Missouri income to the extent that it was reported in your federal adjusted gross income.

- (4) **Capital Gain Exclusion on Sale of Low Income Housing.** If during 2000, you sold a federally subsidized (HUD) low income housing project to a nonprofit or governmental organization, and at least 40% of the units are occupied by persons or families having incomes of 60% or less of the median income, you may exclude 25% of the capital gain from Missouri tax. However, the buyer of the property must agree to preserve or increase the low income occupancy of the project. To use this exclusion, enter as "other" 25% of the capital gain reported on your Federal Form 1040. Enclose a copy of your Federal Form 1040 (pages 1 and 2), Federal Form 4797, and an explanation.
- (5) **Family Development Account.** A family development account holder may subtract the amount of annual deposits made to the account (not to exceed \$2,000). Approved withdrawals from the family development account are also exempt from state tax. Interest earned by a family development account is exempt from state taxation and may be subtracted from an account holder's federal adjusted gross income. Any money withdrawn for an unapproved use is subject to tax. You must enclose proper certification and a copy of your Form 1099.
- (6) **Restitution to Victims of the Nazi Holocaust.** A victim of the National Socialist (Nazi) persecution, actions or policies (or a family member who is the first recipient of paid amounts) may subtract: 1) amounts received as restitution or reparations; 2) returns of tangible or intangible property seized, misappropriated or lost as a result of national socialist (Nazi) actions or policies and any cash values in replacement of such property; 3) payments of insurance policies purchased prior to December 31, 1945, by the victims of National Socialist (Nazi) persecution; 4) any accumulated or accrued interest on such amounts, returns or payments from federal adjusted gross income. The amounts may be subtracted to the extent they are included in federal adjusted gross income.

LINE 8 — EXEMPT CONTRIBUTIONS — MISSOURI SAVINGS FOR TUITION PROGRAM (MO\$T)

The state of Missouri allows a subtraction from a participant's federal adjusted gross income for the amount of annual contributions made to the Missouri Savings for Tuition Program (MO\$T). The maximum annual exempt contribution per taxpayer is \$8,000 in the aggregate to the extent included in federal adjusted gross income. Earnings generated from the savings program are also exempt and may be subtracted from the beneficiary's federal adjusted gross income. If you are a participant who is claiming a subtraction for a contribution made to the savings program, you must enclose your statement provided by the program manager. If you are a beneficiary who is claiming a subtraction for earnings generated from the savings program, you must enclose a copy of your Form 1099 issued by the program manager.

LINE 9 — TOTAL SUBTRACTIONS

Add Lines 5, 6, 7 and 8. Enter the total on Form MO-A, Part 2, Line 9 and on Form MO-1040, Line 4.

Note: Do not include income earned in other states on Line 9. Complete Form MO-NRI (Missouri Income Percentage) or Form MO-CR (Credit for Income Taxes Paid to Other States). See Form MO-1040, Line 26 or Line 27.

PART 3 PENSION EXEMPTION

In 2000, all pension income that is taxable on your federal return, is also subject to tax by the state of Missouri. However, recipients of pension payments provided by the United States, this state, any other state or any political subdivision of this or any other state, are eligible to exempt the first \$6,000 of such payments received during 2000. In addition, recipi-

ents of private pensions are eligible to exempt the first \$4,000 of such payments received during 2000. **Your total pension exemption, including government pensions and private pensions cannot exceed \$6,000.** In order to be eligible for the full pension exemption, the recipient's Missouri adjusted gross income must fall within certain income limitations. If your income exceeds the limitation, you may qualify for a partial exemption. The amount of your exemption must be decreased by the amount that your income exceeds the income limitations. Form MO-A, Part 3 is designed to assist you in computing the amount of pension exemption you may be entitled to take on Form MO-1040, Line 8. **Railroad retirement benefits that are administered by the Railroad Retirement Board must be included on Form MO-A, Part 2, Line 7 as a modification to federal adjusted gross income. A copy of your federal return (pages 1 and 2) and your Form 1099-R must accompany your Form MO-1040 when filed; otherwise the exemption will be disallowed.**

LINE 1 — MISSOURI ADJUSTED GROSS INCOME

Enter the Missouri adjusted gross income from Form MO-1040, Line 6.

LINE 2 — TAXABLE SOCIAL SECURITY

Enter the taxable amount of your 2000 social security benefits from Federal Form 1040A, Line 14b or Federal Form 1040, Line 20b.

LINE 3 — MODIFIED MISSOURI ADJUSTED GROSS INCOME

Subtract Line 2 from Line 1 to arrive at your modified Missouri adjusted gross income. This amount is only for use in determining whether your income exceeds the maximum income limitation for receiving a full pension exemption.

LINE 4 — DETERMINE APPLICABLE INCOME LIMITATION

Check the appropriate filing status box and enter the corresponding amount on Line 4. If your modified Missouri adjusted gross income on Line 3 exceeds the applicable income limitation on Line 4; you may still be eligible for a partial pension exemption. **Your pension exemption will be reduced by the amount your income exceeds the applicable income limitation.**

LINE 5 — PENSION EXEMPTION REDUCTION

If Line 3 is less than or equal to Line 4, enter zero (0) on Line 5. If Line 3 is greater than Line 4, you must reduce your pension exemption. Subtract Line 4 from Line 3 and enter the amount on Line 5. If Line 5 is greater than \$6,000 (\$12,000, if filing combined), you do not qualify for a pension exemption.

LINE 6 — TAXABLE PRIVATE PENSION

Enter the total amount of taxable private pension(s) received in 2000 from Federal Form 1040A, Line 11b and Line 12b or Federal Form 1040, Line 15b and Line 16b. Do not include any payments from government pensions or social security benefits on this line.

LINE 7 — PRIVATE PENSION EXEMPTION

Enter on Line 7Y the amount on Line 6Y or \$4,000, whichever is less. Enter on Line 7S the amount on Line 6S or \$4,000, whichever is less. Each recipient is eligible for up to \$4,000 of exemption, but the amount of exemption cannot exceed the amount of payments received in 2000.

LINE 8 — TAXABLE GOVERNMENT PENSION

LINE 9 — SUBTOTAL

Add Line 7Y and Line 8Y and enter the total or \$6,000, whichever is less, on Line 9Y. Add Line 7S and Line 8S and enter the total or \$6,000, whichever is less, on Line 9S. Each recipient's total pension exemption cannot exceed \$6,000. **If you qualify for both a government pension exemption and a private pension exemption, your combined total exemption cannot exceed \$6,000.**

LINE 10 — TOTAL

Add Line 9Y and Line 9S and enter the total on Line 10.

LINE 11 — TOTAL PENSION EXEMPTION

Subtract Line 5 from Line 10. Enter the total on Line 11 and on Form MO-1040, Line 8. Your exemption must be reduced by the amount your income exceeds the limitations. For example, if you are single and your modified Missouri adjusted gross income (Line 3) is \$26,000, Line 5 would be \$1,000. If your total (Line 10), is \$4,000, your total pension exemption would be \$3,000 (Line 10 minus Line 5). If a negative number is calculated, enter zero (0). **(Your total pension exemption cannot exceed \$6,000; \$12,000, if filing combined and both you and your spouse have pensions.)**

FREQUENTLY ASKED QUESTIONS

1. Why must I split the income between my spouse and me?

Missouri laws require a combined return, with each spouse responsible for his or her portion of the tax. The tax computed separately for you and your spouse is lower than the tax computed on your income and your spouse's income together.

2. What is my federal adjusted gross income?

Federal adjusted gross income is your income, plus or minus any federal income adjustments (but not your deductions or exemptions). You can find your federal adjusted gross income as follows:

Federal Form	1040	1040A	1040EZ	Telefile Tax Record
Line	33	19	4	I

3. How do I treat income from another state?

If you are a full-year resident of Missouri, with income from another state, that income is included in your taxable income to Missouri. You may take a credit for taxes paid to another state, so that you aren't taxed twice on the same amount.

If you are a part-year resident of Missouri, you may choose to be treated as a full-year resident and take a credit for taxes paid to another state. If you choose, you may use a percentage method and be taxed on the portion of income you earned in Missouri and all other income you received while a Missouri resident.

If you choose the percentage method, you still begin with federal adjusted gross income (see question 2). Once the Missouri tax is computed on the entire amount of your income; you then complete a Form MO-NRI (contained in this book), which will give you the percentage of your income that is taxable to Missouri. Multiplying this percentage by the Missouri tax on all your income will give you the tax on the portion of your income that is Missouri source income.

4. If I have income from another state, what do I get credit for in Missouri?

If you are a Missouri resident, you may claim credit for tax owed to another state. This is different from the withholding shown on your Form W-2(s); it is tax you actually owe the other state. You must complete Form MO-CR, and include a copy of the other state's return with your Missouri return to receive this credit.

5. What is my standard deduction?

Your Missouri standard deduction is the same as your federal standard deduction. (Please see table below.)

Federal Form	1040	1040A	1040EZ	Telefile Tax Record
Line	36	22	5*	J - Box 1

*Note: If you check "NO" on Federal Form 1040EZ, enter \$4,400 if single or \$7,350 if married.

6. What is my federal income tax liability?

Your federal income tax liability is your tax owed to the federal government. This is different from the withholding shown on your Form W-2(s). **Do not include the amount of your federal earned income credit.** (Please see table below.)

Federal Form	1040	1040A	1040EZ	Telefile Tax Record
Line	51 – 41 – 60a	33 – 38a	10 – 8a	K Box 2 – L

7. What is other federal tax?

If you did not file a Federal Form 1040, you have no "other federal tax." It does not include social security tax (FICA), railroad retirement tax, or self-employment tax.

It does include any foreign tax credit taken on Federal Form 1040, Line 43, alternative minimum tax on Federal Form 1040, Line 41, tax on qualified retirement plans and MSAs on Federal Form 1040, Line 54 and recapture of credits included on Federal Form 1040, Line 57. Visit <http://dor.state.mo.us/tax> for more information about "other federal tax".

8. Who qualifies for the property tax credit?

People age 65 or older, people who are disabled (as defined in Section 135.010 (2), RSMo), 100% disabled veterans or people age 60 or older who receive surviving spouse social security benefits who pay rent or property tax for their home may qualify for the credit. To determine if you qualify for the credit, see the instructions for Form MO-PTC or visit <http://dor.state.mo.us/tax> to learn more about the Property Tax Credit Claim.

9. How do I compute my tax on income greater than \$9,000?

If your Missouri taxable income is less than \$9,000, use the tax table on the tax form. If the Missouri taxable income is over \$9,000 then subtract the \$9,000 from your Missouri taxable income and multiply the difference by 6% (.06). This figure should be added to \$315 and placed on Line 25. Repeat this procedure for your spouse, if necessary. For example, if your Missouri taxable income is \$23,500, the computation is as follows:

$$\$23,500 - \$9,000 = \$14,500$$

$$\$14,500 \times .06 = \$870$$

$$\$870 + \$315 = \$1,185$$

10. Where do I mail my return?

If your return has a **refund or no amount due**, please mail it to: **Department of Revenue, P.O. Box 500, Jefferson City, MO 65106-0500.**

If your return has an **amount due**, please mail it to: **Department of Revenue, P.O. Box 329, Jefferson City, MO 65107-0329.**

11. What is a non-obligated spouse?

A non-obligated spouse is a spouse who is not liable for the debt of the other spouse. If you are married, and your spouse owes money to a state agency, the Department of Revenue may be required to take the state income tax refund for your spouse. In this case, you will want to check the non-obligated spouse. This allows your refund to be processed as normal.

The non-obligated spouse apportionment applies only to state agencies. The Internal Revenue Service is not a state agency and debts owed to the IRS are excluded from the non-obligated spouse apportionment.

12. When do I get the refund shown on the Form 1099-G that I received?

You already did! The Form 1099-G shows last year's state income tax refund. If you itemized on your federal return last year, you may be required to report this amount to the federal government. Please check the instructions for the federal form to determine if you are required to report this amount.

13. What is my school district number?

Your school district and school district number are listed on pages 15 and 16 of this book. If you do not know which school district you are in, check your local phone book or call your local school board.

14. How can I find out about my Missouri tax refund?

Don't let mistakes delay the processing of your return! The following list provides the top five errors.

- 1. Tax return is not signed;** be sure to sign your return.
- 2. Federal tax deduction is incorrect**—the federal tax deduction is the federal tax liability NOT federal withholding; earned income credit should not be included in your federal tax deduction.

- 4. Standard deduction is incorrect**—The standard deduction amount is the amount claimed on your federal income tax return; be sure to exclude the personal exemption amount if you file Federal Form 1040EZ.
- 5. Required documentation is not enclosed. Be sure to include the following, if applicable:**
 - a. Form W-2(s)
 - b. Form 1099-R(s)

Social security numbers must be included on your Missouri individual income tax return. Such numbers are used primarily to administer and enforce the Income Tax, Sales and Use Tax, Property Tax Relief, exchange tax information with the U.S. Internal Revenue Service, other states and Multistate Tax Commission (Chapters 32 and 143, RSMo). In addition, statutorily provided non-tax uses are: (1) to provide information to the Department of Higher Education with respect to applicants for financial assistance under Chapter 173, RSMo; and (2) to offset refunds against

amounts due to a state agency by a person or entity (Chapter 143, RSMo). Information furnished to other agencies or persons shall be used solely for the purpose of administering tax laws or the specific laws administered by the person having the statutory right to obtain it as indicated above. 1. All **public schools** located in the City of Columbia are in "Columbia 93" School District, and No. **"098"** should be entered in the spaces provided.

2. All **public schools** located in the City of Springfield are in "Springfield R-XII" School District, and No. **"475"** should be entered in the space provided.

The following should be considered in determining your public school district number.

1. **Determine your public school district at the time of completing your return.**
2. If you live in one school district and work or have a permanent or temporary mailing address in another, enter the district number where you live.
3. If you are in military service or a student temporarily living and working away from your permanent residence, enter the district number of your permanent residence.
4. If you were a part-year resident of Missouri, enter the school district number of your residence while living in Missouri.
5. If you are a "nonresident" of Missouri, your school district number is **"347"**.
